

KATHY HOCHUL

ANN MARIE T. SULLIVAN, M.D.

MOIRA TASHJIAN, MPA

Governor

Commissioner

**Executive Deputy Commissioner** 

To: Child-serving Clinic (MHOTRS) Programs

From: New York State Office of Mental Health (OMH)

Date: March 18, 2024 – **UPDATE** – **May 15, 2024** 

Subject: Expanding School-Based Mental Health Clinics (SBMHCs): Start-up Funding

To support program expansion and account for initial implementation costs, Governor Kathy Hochul recently announced \$20 million in start-up funding for SBMHCs. *Starting October 6,* **2023**<sup>1</sup>, every newly licensed SBMHC will automatically be eligible for \$25,000 in one-time start-up funding. High-need schools (see appendix for full list), or those where more than 50% of students are classified as coming from an economically disadvantaged household, are eligible for an additional \$20,000.

To streamline processes and avoid a separate application process, providers will now receive an attestation with the Operating Certificate of a new SBMHC which must be completed and returned to OMH to initiate the issuance of funding.

Eligibility: Eligible applicants of start-up funding are not-for-profit organizations and local governmental entities (counties) with existing OMH-licensed MHOTRS/clinic programming serving children/adolescents. The clinic program must already be authorized to serve children/adolescents at the time of the application. Eligible sites for a school-based clinic includes:

- Pre-kindergarten through 12th grade (PK-12) public school, including charter schools,
- Board of Cooperative Educational Services (BOCES),
- State-operated and State-supported school pursuant to articles 85, 87 and 88 of the Education Law,

<sup>&</sup>lt;sup>1</sup> For agencies with an Operating Certificate effective on or after October 6, 2023, that did not receive an attestation for start-up funding, and meet eligibility criteria, OMH will be issuing an attestation to complete. If you do not receive an attestation and believe your satellite is eligible, contact OMH at <a href="mailto:omhchildclinics@omh.ny.gov">omhchildclinics@omh.ny.gov</a>.

- In-state private residential or nonresidential school for the education of students with
  disabilities approved pursuant to Article 89 of the Education Law or operating under
  Article 81 of the Education Law where mental health treatment and support is not a
  component of programming and the provision of mental health services are authorized
  pursuant to identified population in alignment with 8 NYCRR Part 599,
- State-administered Prekindergarten (PreK) program directly operated by a school district, BOCES, or an eligible agency, as defined in section 151-1.2(b) of Education Law, or operated by a school district in collaboration with an eligible agency,
- Preschool special education program approved pursuant to Education Law section 4410.
- Nonpublic pre-kindergarten, kindergarten, and high school, that is voluntarily registered with the Board of Regents under section 8 NYCRR Part 100.2(p); or,
- Nonpublic school that is a religious or independent school located in NYS that provides elementary or secondary education.

Certain sites are excluded from this opportunity: sites that had already received funding under the Mental Health Block Grant School-Based Mental Health Clinic Services for Children/Youth Supporting Growth: Access and Capacity Enhancement Grant (December 2021) or The School Based Mental Health Satellite Clinic Expansion RFA (August 2023) are not eligible for this additional funding for that site.

If you have questions about this new process or your eligibility to receive this funding, please contact your Regional Field Office or <a href="mailto:omhchildclinics@omh.ny.gov">omhchildclinics@omh.ny.gov</a>.

Thank you for your continued efforts to support the children and families of New York State.
